About this lesson: Using feedback to improve presentations

Gathering and using feedback

A checklist for incorporating feedback

The impact of directed questions on feedback

Career management highlight: Human resources analyst

Summary and looking ahead

EXIT COURSE

Module completion

Congratulations!

Confirm that module completion shows as **100%** at the top of the navigation menu. If module completion is not 100%, go to any page that does not have a checkmark beside it and select the **Next** button. You can then close this window and return to IBM SkillsBuild to continue your learning journey.
